Amendment No. 0003
24 September 2003

SUBJECT: Amendment No. 0003 to Specifications and Drawings for Construction of
Linton Mine and Mill Site Reclamation Project, Missoula County, MT.
Solicitation No. DACW45 03 B 0019.

TO: Prospective Bidders and Others Concerned

1. The specifications and drawings for subject project are hereby modified as follows (revise all specification indices, attachment lists, and drawing indices accordingly).

a. Specifications. (Descriptive Changes.)

(1) Section 01010 Page 1 of 65, add the following new paragraph:

"1.1.3 Site Safety and Health Hazards

The project site poses a number of safety and health hazards that must be taken into account by the contractor when preparing various submittals such as the Site Specific Health and Safety Plan, Accident Prevention Plan, etc., as required within these specifications. Specific safety recommendations for physical hazards are presented in an attachment to Section 01400.

The mining wastes to be excavated, transported, and placed into repositories during the execution of this project are classified as solid wastes which are not hazardous wastes in accordance with 40 CFR 261.4(b)(7) (mining wastes excluded from RCRA Subtitle C regulations - Bevill Amendment of 1980). Manganese, lead, and arsenic are site related Primary Contaminants of Concern that may present human health hazards due to soil and dust ingestion and inhalation exposure. Analytical results for site contaminants of concern are presented in tables attached to Section 01400."

b. Specifications (New and/or Revised and Reissued). Delete and substitute or add specification pages as noted below. The substituted pages are revised and reissued with this amendment.

<u>Pages Deleted</u>	<u>Pages Substituted or Added</u>

Notes:

1. Quantities for unit priced items are estimated only and the respective unit price will prevail in the event of an overrun or underrun subject to Contract Clauses (Section 00800) Clause "Variation in Estimated Quantities."
2. Bid prices must be entered for all items of the schedule. Total amount bids submitted without bid prices being entered on individual items will be rejected. Extensions will be subject to verification by the Government. In case of variation between the unit price and the extension, the unit price will be considered the bid. In case of variation between the individual bid item prices and the total amount, the individual bid prices will be considered the bid.
3. A modification to a bid which provides for a single adjustment to the total amount bid should state the application of the adjustment to each respective unit price and lump sum price affected. If the modification is not so apportioned, the single adjustment will be applied to Item No. 26 in the Bidding Schedule.
